Target audience & topics

Two full conference days for **electricians, installers, integrators and technical managers** who want to stay ahead of developments in their profession, as well as for public authorities involved in the sector.

Objectives: discover technological and regulatory innovations, understand regional requirements, identify concrete market opportunities and exchange insights with industry stakeholders.

Topics: energy transition trends, developments in regional regulatory frameworks, developments in the electricity grid, smart system integration, optimal equipment sizing, electric heating and feedbacks from the field on innovative projects.

Each day: thematic sessions scheduled from 8:30 am to 4:30 pm, with coffee breaks and networking opportunities.

Media Partners

Become a sponsor

Sponsoring the conference offers your organisation the following benefits:

Visibility: The conference attracts a broad audience of experts, professionals and policymakers from the electricity sector.

Networking: The conference offers numerous opportunities to connect with leading professionals and decision-makers in the sustainable energy sector, opening the door to valuable partnerships. Depending on the sponsorship package, you will receive a number of tickets for your employees to attend the conference.

Sharing your expertise: By sponsoring our conference, your organisation demonstrates its commitment to and involvement in the energy transition.

Public relations: As a sponsor, your organisation will gain visibility through various channels, including our website www.electrifyevent.be, promotional materials, social media posts and during the events themselves.

General Terms and Conditions

This agreement governs the sponsorship of the “Electrify Flanders” (Gent) and/or “Electrify Wallonie-Bruxelles” (Namur) conferences in 2026 (hereinafter referred to as the “Event”).

The Organiser consists of Energie Facteur 4 asbl, 2degNRG srl and SwitchTo srl. The Sponsor authorises the Organiser to use its brand, logo and tagline for communications relating to the Event. The Sponsor may use the conference logo on its marketing materials for the duration of the agreement.

The services included correspond to the selected package (1 day or 2 days). Any service not expressly mentioned is excluded or requires an addendum.

An invoice will be issued within thirty (30) days of receipt of the duly completed and signed order form, except for the Catering Sponsor package where the invoice will be issued 30 days after the Event. Full payment must be made within thirty (30) days of the invoice date.

2-day package: if one of the two event days is cancelled, a refund of €300 will be granted. In the event of total cancellation (i.e. both events fully cancelled, regardless of the cause), 50% of the amount paid or due will be refunded. In all other cases, sponsorship fees are non-refundable.

The presentation included in the “Event Sponsor + Speaker” package is allocated 10 minutes in the programme of each sponsored Event.

Except in cases of wilful misconduct or gross negligence, each party’s liability is limited to the total sponsorship amount specified in the order form. Neither party shall be liable for indirect damages (loss of profit, special, consequential or punitive damages), whether arising in contract or tort, even if advised of the possibility of such damages.

The Sponsor warrants that its content and materials (presentation, stand, roll-up banner) comply with the venue’s safety rules, the Organiser’s guidelines and, where applicable, relevant regulations (AREI/RGIE, etc.). Stand materials must be provided by the Sponsor (electricity supply or specific requirements: available upon request and subject to approval).

This agreement is governed by Belgian law. The courts of Brussels shall have exclusive jurisdiction.
